THINGS TO BRING:

The following list may provide a useful guide when packing for this excursion.

*****PLEASE REMEMBER WE CAN NOT PREDICT THE WEATHER THEREFORE, CLOTHING FOR BOTH WARM AND COOLER CONDITIONS IS ESSENTIAL******

- Sleeping bag and pillow
- Refillable water bottle
- Raincoat (regardless of forecast)
- Sunscreen and hat
- Day Pack (small back pack for day walks etc.)
- Torch
- Toiletries in bag (soap, toothbrush, toothpaste, deodorant (roll on only) comb/brush, face washer etc.)
- Towels (2)
- Warm casual clothing for one day
- Warm coat or jacket for the night or in case it is cold. Jeans, t-shirt and joggers would be the most appropriate form of clothing.
- Two pairs of comfortable walking shoes or sneakers in case one pair gets wet.
- Underwear/warm socks (extra of each - wet weather)
- Pyjamas or clothing for sleeping
- Swimmers
- Two plastic bags. One for dirty clothes and one for wet clothing.

No aerosol cans are to be brought on the excursion due to possible allergies or irritations to other students. Students do not need to bring shampoo or conditioner as there will be no time to wash and dry hair.

Students will need to take responsibility for the care of their belongings. We urge all parents to label their child's clothing. This will alleviate clothing going missing.

Cameras and money to purchase souvenirs are optional and are the student's responsibility. We ask that the students do not bring any more than $20.00.

Students are not permitted to bring any electronic devices including mobile phones, iPods, DS or PSP games. This is due to the fact that we cannot guarantee they won't be damaged or misplaced. Experience also shows that the children are easier to settle when they are not worried about making or receiving phone calls.

Thank you again for your co-operation and support. We are looking forward to an exciting trip away and an experience that will not only assist the children's learning, but one which will remain in their memories for a long time to come.
